

JUNIOR FRONT-END DEVELOPER

Name: Hussein Saleem

Email: hsssseeeen2002@gmail.com

Number: 07756579399

SUMMARY

I am a self-taught front-end developer. I've been learning for almost one and a half years. I work with Next.js and React.js to make fast and user-friendly websites. For beautiful UI, I use the most popular CSS framework, Tailwind CSS

SKILLS

- Next.js
- React.js
- TypeScript
- HTML
- Tailwind CSS

SOFT SKILLS

- GitHub
- Learning new things fast
- Compassionate in Communication
- Advanced in English

PROJECTS

AWARE

I built this project with Next.js, React.js, and for the back-end, I used Prisma and MongoDB. This project helps me and my friends educate ourselves about our culture. [Live Site](#)

DASHBOARD

This project has many features that can help anyone. I built this project using React.js, TypeScript, and Syncfusion. [Live Site](#)
